

FACTORYMOTORPARTS™

WE SUPPLY YOUR SUCCESS.®

BATTERY TESTER PROGRAM

We'll help you get started testing batteries

Studies prove nearly 1 in 4
batteries will fail in the next
12 months

- Your customer's battery
probably won't fail when it's
in or near your shop!

**Don't lose the sale.
Start testing now!**

How many batteries could you be selling?

- 1) Number of vehicles you
service monthly _____
- 2) Multiply line 1 by .25 _____
- 3) Number of batteries
you sell monthly _____
- 4) Subtract line 3 from line 2 _____

Line 4 represents the number of additional
batteries you could be selling every month
just by testing every vehicle you service.

National Battery, ISC & Dealer Program

Program# A4MC01BT

Requests submitted under this program number must comply entirely to program parameters. Cannot be used in conjunction with any other FMP program or offer. Requests must be submitted within 60 days of program date. Initial reward paid via credit on account or FMP Reward Points.
